To our friends, clients, community and neighbors:

In these uncertain times we want to let you know we at Ben Rust Law intend to act as leaders for our friends, family and community– whether that be offering a kind word or simply taking the extra time to instill calm or a sense of reassurance that things will be ok; we want to be there for you.

Rest assured, our office will be working diligently to provide you and your business with all of the legal support that is necessary to protect your legal rights and interests. For the foreseeable future, and through these trying times, we appreciate your patience and understanding that things will move a little bit slower, however, we will make every effort possible to get back to you in a reasonable and diligent time period. If you need us urgently- it would be best to email myself (ben@benrustlaw.com) or Attorney Iara Quadros (iara@benrustlaw.com) directly.

We look forward to life getting back normal!

Sincerely,

Benjamin D. Rust II, Esq.
